

Urgent Hoover Bay Road Meeting

Greeting Members and Non-members

It is that time of year again when we have our Annual General Meeting. This year's **AGM date is May 22, 10:00 am @ Glenn & Lisa Bohn's cabin**. There is one very urgent item on our Agenda that needs the attention of Hoover Bay Road Assoc. members and non-members; I stress all residences of Hoover Bay, including everyone on IR's lease lots. This is about the future of our access road and the Boss Creek Bridge.

Please pass this on to everyone from the Hoover Bay area. We would like everyone in attendance as this affects everyone who owns a lot/cabin in the Hoover Bay area and uses the road. This is not to try to gain more members, but to pass on information that has been told to Hoover Bay Road Assoc. regarding our road & bridge.

Attached is a copy of the Hoover Bay Road Assoc. Agenda. If you would like to add anything to the Agenda please contact me at Lisa.Bohn@ufv.ca before May 16, 2011.

Kind Regards

Lisa Bohn
