

Hoover Bay Road Association

Notice of Meeting

There will be a road association meeting to be held on

Saturday, June 28th, 2008 at 11:00 a.m.

@

Ivy & Rodger Henderson's

Under discussion will be the future logging plans for the area and also the possibility of the road association purchasing or leasing a grader.

There will also be an updated membership list available as more cheques have come in. We would like to apologize to Laurie & Gordon Duff for not including them in the previous list as their fee had been paid some time ago.
